

Worksheet – Introduction to Generative AI

Module: Introduction to Generative AI

Duration: 90 minutes

Level: Beginner

Target group: Deaf youth exploring creative AI tools for images and ideas

Part 1 — Warm-up (Understanding the Basics)

1. Match the word with the meaning:

Word	Meaning
Generative AI	☐ Technology that creates new content (images, text, designs) from your instructions
Prompt	☐ A short text command you give to the AI
Style	☐ The visual look or artistic feel of an image
Output	☐ The final result or image made by the AI

Write your answers (1–4):

1 → ____, 2 → ____, 3 → ____, 4 → ____

2. Circle the correct answer:

Generative AI is used to:

- A. Create new images, text, or designs from prompts
- B. Play computer games
- C. Read news articles

Answer: _____

Part 2 — Practice: “Prompt Chain” Activity

Work in small teams.

Each team creates images using short text prompts.

Follow the steps below:

Step	Task	Figma Concept
1	Choose an idea (e.g., Deaf-friendly event, school poster, new app logo)	Concept
2	Write your first prompt	Prompt
3	Generate an image using a tool (e.g., DALL·E, Canva AI, Bing Image Creator)	Output
4	Modify your prompt to make it better	Refinement

Example:

Prompt 1 → “*A poster for a Deaf youth coding club.*”

Prompt 2 → “*A bright poster showing Deaf students signing, with laptops and code symbols.*”

Result → Clearer, more relevant image

Part 3 — Apply Your Knowledge

Work in pairs or alone.

1. Choose one topic below (or your own idea):

☐ Cooking ☐ School project ☐ Nature ☐ Friendship ☐ Technology ☐

Other: _____

2. Write two different prompts for the same idea:
 - First, a short and simple one
 - Then, a detailed one
- 3.

Short Prompt

Detailed Prompt

What You Expect to See

Part 4 — Quick Quiz

Question

Choose the correct answer

- | | |
|-------------------------------|--|
| 1. What is a “prompt”? | ☐ A question or text instruction for AI |
| | ☐ A password |
| | ☐ A picture frame |
| 2. What can Generative AI do? | ☐ Create new images or text |
| | ☐ Only search websites |
| | ☐ Play music |

Question**Choose the correct answer**

3. What makes a good prompt?

☐ Be clear and specific

☐ Be random

☐ Be very short

4. Why do people use Generative AI?

☐ For creativity and idea generation

☐ Only for emails

☐ For deleting files

Part 5 — Reflection

- What did you learn about Generative AI today? _____

- What was difficult for you? _____

- How can you use Generative AI in your school, work, or hobbies? _____

Teacher's Note:

*This worksheet helps participants practice **prompt writing** and **AI image generation**.*

Encourage learners to:

- *experiment with clear and detailed prompts,*
- *describe images using gestures or drawings,*
- *discuss how AI can support creative, Deaf-friendly communication.*
